Welcome to the **NectarKast** Keynote Deck

The Future of Marketing & Advertising

We develop technology that is designed to grow your business. We serve storefront businesses, service providers, and sales professionals.

ATTRACT CUSTOMERS & CONNECT TO A LARGER CROWD

We designed our product to put powerful technology at the fingertips of every business owner to help you grow your business!

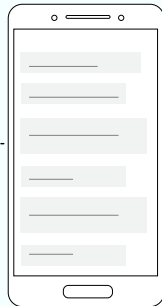

INTRODUCING THE NECTARKAST DEVICE

You work hard to bring in new business.
Let NectarKast make it easy!

NECTARKAST – YOUR 24/7 MARKETING DEVICE

Connect with Customers

No Wifi connection required to connect

No cellular data connection required

Easy to use & packed with high end technology!

Simply login & change your promotional messaging at any time.

HOW IT WORKS

Its Simple and too
Easy to use

Place your **NectarKast** device in your shop window, with your employees, or carry it around with you!

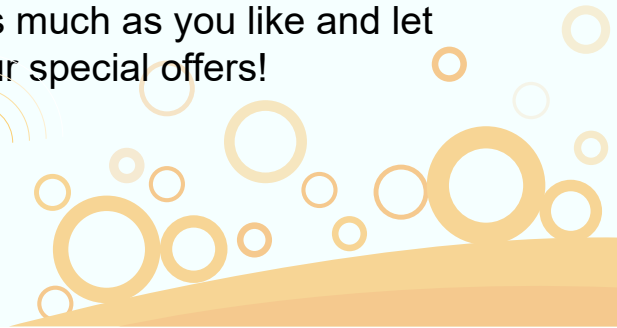

Turn on your devices & login to your account at NectarKast.com

Write customized messages you want to appear as notifications on your customers phones.

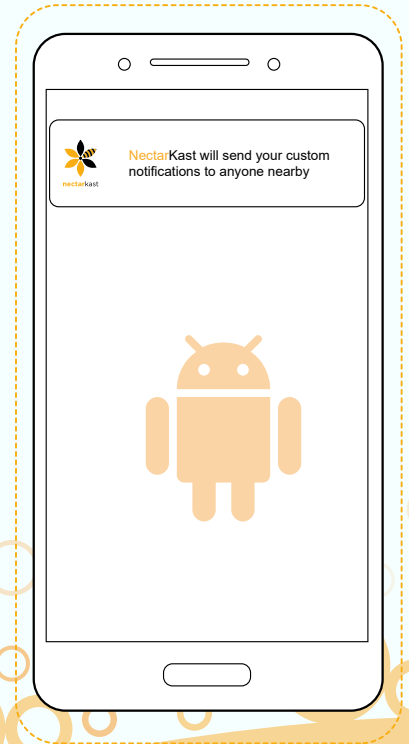

Change your messages as much as you like and let customers know about your special offers!

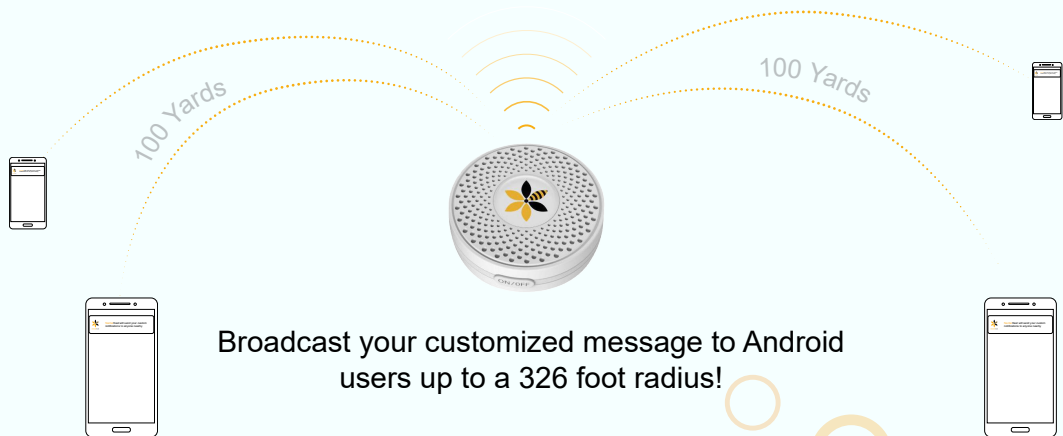

OUR TECHNOLOGY

The Android phone market is massive and growing. 80+% of the international market and 60+% of the North American market use Android. The phones only need to have Bluetooth and location services!
